Other Info:

I have accrued over 3000+ Editing and Motion Graphic design hours since the beginning of 2020, and have no plans to slow down.

I believe in constant growth, flexibility, and being an editor that can reliably bring a clients vision to life, while keeping content on-brand.

Please feel free to contact me directly if you have any questions, and don't hesitate to ask if I would take on a short project gratis to prove my skills.
